Suggestions for determining your AAI (Adjusted Annual Income)

Start with your Adjusted Gross Income (AGI)

From the AGI Line of your Federal 1040:

Then Add and Subtract as Follows:

- Money Set Aside for Future Use
- Tax-exempt pensions & annuities
- Tax-free income
- Depreciation on rental property
- Other

Add +

Total Income

- Deductions
- Nonreimbursed major med. exp.
- Care of parents
- Costs of higher education
- Costs of child care

Subtract -

Total Deductions
